December 6th, 1913

F. C. Mechin, Esq.,

President, Engineering Society.

Dear Mr. Mechin:

I feel that I must this morning write to congratulate you on the great success of the dinner last night. It was quite the best that I have been at. The arrangements seem to me to have been carried through, and undoubtedly they involved a large amount of preliminary planning. The turnout of the students and of the old graduates was splendid, and the conduct throughout the dinner seemed to me to leave nothing to be desired. You have good reason to feel gratified at the result of the labours of the Executive Committee and yourself in this matter.

With kind regards, I am,

Yours sincerely,

President.
